

Kimberley Coast Cruising

10 Night Expedition Cruises aboard Coral Princess or Oceanic Discoverer

Join Australia's premier small-ship cruise line Coral Princess Cruises to discover the remarkable Kimberley coast, one of the world's most remote and spectacular wilderness areas. Cruise in unrivalled style and total comfort aboard the award-winning 'Coral Princess' or the state of the art flagship 'Oceanic Discoverer'. Both small-ships feature the facilities and amenities you have come to expect from much larger vessels, yet allow access to spectacular landscapes inaccessible to bigger ships. Experience the friendly and attentive service of our all-Australian crew and enjoy the finest of local dining as you explore the many natural highlights, stunning landscapes and ancient cultures of this seldom visited part of Australia. This truly is the cruise experience of a lifetime!

Our 10 night Kimberley expeditions cruise between Darwin and Broome and depart regularly between April and October 2011. Join us to explore the remote river gorges, rarely seen Aboriginal art, towering waterfalls and natural rugged beauty of this ancient coastline as our expert, all-Australian team of experienced guides and naturalists acquaint you with the region's stunning natural scenery and unique marine, bird and wildlife.
