

Kimberley Coast Cruising

10 Night Expedition Cruises aboard Coral Princess or Oceanic Discoverer

Join Australia's Coral Princess Cruises to discover all of the icons of the Kimberley Coast over 10 unforgettable days cruising between Darwin and Broome. Discover the majestic King George River with its towering 80-metre twin falls and the mysterious Bradshaw Paintings of Bigge Island. Explore the Mitchell Plateau and the Kimberley's iconic rivers, before discovering beautiful King Cascades, remarkable Montgomery Reef and the amazing natural phenomenon of the Horizontal Falls in Talbot Bay.

Cruising aboard your choice of our purpose-built small ships Oceanic Discoverer or Coral Princess, you will discover all of the region's icons and with two landings most days you will enjoy more time to fully immerse yourself in the magic of the Kimberley. Aboard our unique 'Xplorer' excursion vessel and fleet of zodiacs, along with the expert local knowledge of our experienced guides you are assured of making the most of every minute of your expedition.

Throughout your cruise you will enjoy the finest of dining and the attentive service of our all-Australian staff, while savouring the uniquely Australian onboard atmosphere which is akin to sailing on your own private yacht. With Coral Princess Cruises you will discover the very best of the magical Kimberley in unrivalled style and total comfort.
